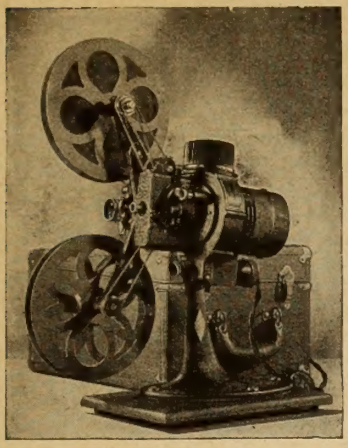
Moving Picture Projectors



41L44—Filmo Master

The illustration is of a discontinued model. The **Filmo-Master** which we recommend for normal Church and Sunday School use is similar but improved. There are no belts to get out of order. The lamp is 750 watt, 110 volt; the lens is 2 inch F 1.6. This machine is substantially built and will give continued satisfaction. It is easily threaded, can be adapted to a hall of any length, and gives a steady flickerless picture. It is moderately priced and is universally recognized as a projector on which films may be shown without danger of injury. Companies who rent or loan films readily do so to any one using this machine. You save money and inconvenience by avoiding a cheap machine. Send to us for latest prices and other information.

41L44—Filmo-Sound

We can also supply sound-on-film projectors, and can offer the best prices. However, owing to the present situation, the small number of films available, and the high cost of such equipment we think that those contemplating purchase of such should give the subject very careful consideration before making the investment.

For prices enquire from us before buying elsewhere.

. . . and for Convenience Specify the CHALLENGER

The Da-Lite Glass-Beaded surface reflects more of the projected light and shows every scene at its brightest and best. Ask for this fine surface in the Challenger model. It can be set up anywhere in 15 seconds . . . the only screen with *square* tubing to keep the case aligned. 12 sizes (including square sizes for still pictures) from 30″x40″ to 70″x94″.

We also supply screens of other kinds —see under Lanterns, page 8.

Motion Pictures

Silent Films

For educational purposes silent films are considered the most satisfactory. These, when used to illustrate Biblical stories, Biblical background or Missionary work, have the advantage that the lecturer is able to give his own interpretation by means of an introductory comment or an explanation while the film is being exhibited. The silent film also makes possible showings at fairly frequent intervals with the emphasis on different phases of the subject. The number of such films in existence suitable for such a purpose is not very great. We examine most of the new ones that came on the market and shall make additions to the lists given below as rapidly as possible, taking into consideration the suitability of films for the work of our Church.

In our lists the following abbreviations are used:

C.—suitable for children under 9
S.—suitable for children 9 to 15
Y.—suitable for young people and discussion groups
A.—suitable for adults
B.—Biblical story or background
D.—Bible stories dramatized
Miss.—Missionary
N.—notes accompanying the reel
Min.—indicates approximate time of showing
T.—travelogue

507
1 JESU, lover of my soul,
Let me to Thy bosom fly,
While the nearer waters roll,
While the tempest still is high;
Hide me, O my Saviour, hide,
Till the storm of life is past;
Safe into the haven guide,
O receive my soul at last.
2 Other refuge have I none,
Hangs my helpless soul on Thee;
Leave, ah! leave me not alone,
Still support and comfort me:
All my trust on Thee is stayed;
All my help from Thee I bring;
Cover my defenceless head
With the shadow of Thy wing.
3 Thou, O Christ, art all I want;
More than all in Thee I find:
Raise the fallen, cheer the faint,
Heal the sick, and lead the blind.
Just and holy is Thy Name;
I am all unrighteousness:
False and full of sin I am;
Thou art full of truth and grace.
4 Plenteous grace with Thee is found,
Grace to cover all my sin;
Let the healing streams abound,
Make and keep me pure within:
Thou of life the fountain art,
Freely let me take of Thee:
Spring Thou up within my heart,
Rise to all eternity. Amen.

HYMN SLIDES 41 L 20

The illustration is the actual size of an illustrated hymn slide. Notice the black type. Our hymn slides are reproduced from special black face type.

They are being used in many schools and churches in daylight, without blinds on the windows. Once you use them you will not want any other.

These hymns as listed are kept made up and in stock so that they can be shipped promptly. Give additional or alternative hymn numbers, which may be sent in the event of any of those ordered being out of stock. This will enable us to fill orders promptly.

In the list below there are four classes of slides, all exceptional type:

(1) Those for which the number only is given. These are plain slides with ideal type.

(2) Those marked x have a picture illustrating the hymn and the hymn all in black and white as illustrated.

(3) Those marked x may be had with the picture beautifully coloured.

(4) Those marked II are made from hymns printed in heavy capitals. These are specially adapted to large halls but also give added clearness and size of type for use in daytime. Where selections have been made from the verses they have been carefully made.

When **ORDERING** give both the number and the first words of the hymn such as x 16 Abide with me, or II130 All glory, laud and honour, and state if you want the illustrated ones coloured or plain. Plain will be sent unless coloured are ordered.

The **NUMBERS** given are those of the Book of Common Praise Revised. The numbers at the end of the first lines are those in the old book.

PRICES for all uncoloured slides, 35 cts.; for all coloured slides, $1.00 each.

Hymns Not Listed may be made to order. We purpose to add to our list from time to time. If, however, any special hymn is wanted we can have a slide made to order, but from the HYMN BOOK TYPE only. The price is double that charged for slides listed, as a special negative has to be made, unless given in the list found later in this Catalogue entitled "Hymns in Book Type."

The number of the set, at the left of the title, is intended for use when ordering. The rental price is given at the extreme right. To the left of the rental price is the number indicating the number of slides in the set. To the left of this are some letters.

"R" indicates that a reading or lecture accompanies the set.
"H" indicates that one or more hymns are included in each set.

Where there is no "C" the slides are black and white.

1. CHARGES.

The Rental Price for each set is given in the Catalogue. Sets may be used in the same Parish or Mission more than once during the same week without extra charge, but are to be returned by the first train leaving after the last date used. "The same week" is to be understood as the days between two Sundays. This offer is made for the benefit of Rural clergy having two or three congregations where they wish to show the slides. Terms for longer periods will be sent upon request. Sets are not to be sublet, rented or loaned, to any person or organization without permission from this office. (See also paragraph 10, clauses A. & B.)

No allowance can be made for damaged or missing slides. We do our best to replace broken slides promptly. If many are damaged the set will be withdrawn from use. The number of times a set or collection is to be used should be clearly stated, as asked for on our application forms. Copies of application forms will be supplied free upon request.

2. TERMS.

If customers desire we are willing to open **"Deposit Accounts."** Sums of money may be sent to be placed to the Credit of sender, and charges will be made against this account for Rentals, Postage and Registrations, Prepaid Express, Lantern Supplies, etc. Statements are sent when each set of slides is shipped, except when slides are used on a circuit. A summary is sent from time to time and payment should be made within 30 days of the bill.

3. REMITTANCES.

Remittances should be made by P. O. or Express Orders, payable to the General Board of Religious Education. Cheques should include Exchange, or be made "Payable at Par, Toronto." Money remitted in the lantern slide cases is at the sender's risk.

4. HOW TO ORDER.

Use the application forms which are supplied free upon request. If ordering by letter give all the information asked for on the Application Form; and do not include correspondence for other Departments on the same sheet of paper.

(A) **Apply Early.** Applications from points in Ontario should be made about two weeks in advance of the date when slides are required for use. For distant points, applications should be made as early as possible.

(B) **Order Sets by Numbers** and when writing about sets always give the number.

(C **Give Alternative Numbers**, so that other sets may be sent in the event of those first asked for being in use. We prefer your making the selection. If left to us we may send something you have used recently, or which is unsuitable for the purpose for which it is wanted. If, however, we are requested to make a selection, it is to be understood that what we send is to be accepted.

(D) **Telegraph or Telephone Orders** accepted at customers' risk.

(E) **Late Orders** will be attended to as promptly as possible. We have no Special Messenger Service. We cannot guarantee delivery of late orders.

(F) **Christmas Sets** should be booked if possible before the first week in December. More sets are available in January than between Christmas and the New Year.

(G) **Lenten Sets.** See special clause No. 9 "Lenten Circuits."

5. CONFIRMATION OF ORDERS.

(A) All correspondence is answered as promptly as possible. During certain weeks, just before Christmas, Lent, etc., the volume of correspondence is so great as to make replies by return mail impossible, but we endeavour to care for your order within twenty-four hours.

(B) **We confirm all orders** which are not to be shipped immediately.

(C) **Do not Announce or Advertise Lectures or Services** until you have received our reply stating what set, or sets, are being reserved for you.

6. CANCELLATION OF ORDERS.

(A) **A Charge** of twenty-five cents will be made for each shipment cancelled. Much detailed bookkeeping is involved in booking of sets, and other applications may have been refused in order to reserve sets for such shipment.

(B) **Orders Shipped** cannot be cancelled, and are to be returned promptly.

(C) **Extension of Dates** may be made upon request, if no other applications have been received from other persons.

7. READINGS.

(A) **Readings are loaned** with such sets where "R" indicates that a reading is supplied. Careful handling of each copy is requested.

(B) **Readings are to be returned** with the slides. If Readings are lost, a charge will be made for replacing same.

8. SHIPMENTS.

(A) **Express Shipments** are sent charges collect, and are to be returned, charges prepaid. If the Express Co.'s Agent is not resident at place of delivery we must send shipments prepaid and charge the amount to the customer.

(B) **Parcel Post Shipments** will be found convenient for small lots.

(C) **Early Delivery.** Our rule is to send all shipments so as to arrive several days in advance of the date when they are required for use.

(D) **Examine Packages** before signing Express Co.'s receipt book. If case or

contents are damaged, sign "received damaged" so that a Claim may be made against the Company.

(E) **Sets ordered "To Be Called for,"** will be made ready before time of calling. No allowance can be made in the Rental Charges, when such sets are not called for, nor cancelled before time.

(F) **Return Shipments should be made on the day following date (or last date) for which slides were reserved. This is most important.** We reserve the right to make an extra charge for every day the slides are retained after the day of use.

(G) **Express Receipt Books** are supplied by the Agent on application. These should be kept for reference in case of lost or damaged shipments.

9. CIRCUITS FOR LENT AND ADVENT.

(A) **Application for Sets** to be used during the Season of Lent or Advent, should be made if possible 5 or 6 weeks before the season begins.

(B) **Allotments are made** according to the majority of applications from a given locality, and not according to priority. The first to apply will, when possible, receive the sets of a series in the order as listed. Sets on the Life of Christ cannot always be supplied in order as listed; when this is the case a special set will be sent on the Passion, for use during Holy Week.

(C) **Shipments are sent** out so as to arrive several days in advance and a notice is sent to each person on a circuit stating by whom the balance of the series will be sent. Addressed gummed labels will be sent to be used in forwarding to the next person on the circuit.

(D) **All shipments and Readings** are to be forwarded Express charges collect, with the exception of the last set which is sent to this office Express prepaid.

(E) **Immediately after the date** for which slides are reserved, the shipment is to be sent on to the next person on the circuit. Failure to do this may mean that **seven or more** other places will be without a set during the Lenten season.

(F) **Broken Slides** should be reported to us immediately, so that we can replace them, when possible.

10. LOCAL CIRCUITS.

(A) **Two or more persons** residing in the same place or locality may agree to use certain sets about the same time.

(B) **Express charges are saved,** and time as well, by this method. It is to be distinctly understood, however, that application for such use are to be made direct to us, and rental charges paid by each person or School using the sets.

(C) **During Lent** this plan is specially useful. If seven persons or schools in a locality agree to use one set each week, during the seven weeks of Lent, the entire series will be sent to one address from which point they can be passed on to those who are to use them.

(D) **Applications** must contain names and addresses of all persons who are to use the series and dates of use.

11. BREAKAGES.

(A) Breakages of slides during transit will be charged to the customer unless payment for the same has been made by the Claims Dept. of the Express Co. (See paragraph 8, clause D). Slides broken while in the possession of applicant, are to be paid for at cost of replacing same.

(B) **We earnestly ask** that the greatest care be taken of the slides while in your possession. All breakages while in your possession will be charged to your account.

(C) **Please note carefully the following:**
Do not entrust the handling of the slides to inexperienced lantern operators.

Do not put slides which have been recently exposed to a freezing temperature, into a hot Lantern.

Do not pile slides on a table in the dark, where they are liable to be knocked off. As each slide is removed from the Lantern place it in the case.

Do not pack slides in the case any tighter than they were when they were sent. See that Cardboard packing is against ends of cases (and on both sides of wood partitions, when these are used). Do not use wads of paper for packing.

12. COMPLAINTS.

Should you feel at any time that you have a cause for complaint, you will find us most ready to listen, and to make amends should the fault be ours. In cases of any inattention on the part of the Department write to D. B. Rogers, Secretary of the Editorial and Supplies Departments and mark your envelope "Personal."
